Every cent raised is spent in our region to help improve the lives of those among us with autism and their families.

#AUT2KNOW

Jill Escher Nails it!

Thank you, Jill Escher - may your tribe increase a million-fold! On behalf of ASA Founder, the late Bernard Rimland - and all families like mine with seriously involved sons and daughters of adult age in need of APPROPRIATE attention to their ongoing residential care, treatment and developmental needs - thank you for your thorough and penetrating enlightenment. (It is significant and heartening that all comments on Jill's position are supportive.)
